Dear Daming,

Yesterday, I went to Sam and Amy's school. I took some photos there.

In the UK, children often sit around tables in class. We sit in lines in China. They sing songs together every morning. We do morning exercises.

In the UK, school often starts at 9 o'clock and finishes at half past three. In China, we usually start school at 8 o'clock and finish at 4 o'clock.

School is fun here. But I miss my friends back in China.

Love,

Lingling
