

Listen and say

Ms Guo: Do you know any great inventions in the world?

Kitty: I think paper is a great invention. People can write on it.

Alice: I think the watch is a great invention. People can tell the time anywhere.

Peter: I think the car is a great invention. People can travel from one place to another very fast.

Joe: I think ... Well, I'm going to invent something myself.

Ms Guo: Great! What are you going to invent?

Joe: I'm going to invent a flying bike! People can go anywhere with it.
